Others: Connie Shepard, Karen Vern, Charlie Bostic, residents; Janet Oley, Deputy Clerk.

Mayor Shepard opened the meeting at 7:00 p.m. with the Pledge of Allegiance.

Minutes of the April 7, 2016 meeting were reviewed. Trustee Roher made a motion to approve the minutes as written, seconded by Trustee Noel, all ayes. Motion carried.

Code Enforcement Report: Mr. Sutton provided a written report for review.

DPW Report: Karen Vern addressed the board regarding planting flowers in the village. She offered to oversee a group of volunteers with planting, but would look for someone else to be responsible for watering. She provided the board with several ideas she had for plantings throughout the village. A meeting will be scheduled with Mrs. Vern, the DPW and Trustee Roher to further discuss.

Trustee Roher advised the board that the lift station pump needed to be replaced. We used the spare and will need to purchase another. She provided a quote from Shrier-Martin Process Equipment. Trustee Noel made a motion authorizing the purchase of a pump for the lift station at a cost not to exceed \$3,830.00, seconded by Trustee Roher, all ayes. Motion carried.

Wastewater Report: Trustee Noel spoke with Mr. Sutton regarding the brewery addition at the Copper Turret. A building permit has not yet been issued for that project.

Trustee Marshall made a motion authorizing Trustee Noel to contact Delaware Engineering to request a quote for the Eaton Street water improvement project, seconded by Trustee Roher, all ayes. Motion carried.

Historic Preservation Commission Report: Mayor Shepard advised the board that the historic preservation records stored at Madison Hall have been moved to the Village Office. Mrs. Oley will organize and inventory those records. Mayor Shepard also noted that Kevin and Michelle Rounds submitted their resignation from the historic preservation commission.

Sheriff's Department Report: Trustee Brody said this is the last week of patrol for the semester. She noted that the Board of Supervisors is considering hiring four additional deputies.

Public Comment: Mr. Bostic expressed his concern regarding the intersection of North Street/South Street/Route 20.

Trustee Report: Trustee Roher said that the owners of 14 Union Street conveyed their appreciation regarding the board addressing their concerns with respect to problem rental properties. They still have concerns regarding outdoor burning by their neighbors at 12 Union Street, however. Trustee Roher questioned whether the village could prevent the issuance of an open burn permit. She recently notified the Sheriff's Department that the tenants at 12 Union Street were having a fire during the burn ban. She said that it smelled like they were burning garbage and there are broken beer bottles all around the fire pit. Attorney Stokes said that the code enforcement officer should be advised not to issue another permit for that property.

Mayor's Report: Mayor Shepard discussed the recent Arbor Day event at Jones Park. A gingko tree was planted by students at Morrisville State College.

The board discussed the quote from Aspinall's Tree Nursery for the purchase of an additional 6-7 trees. Trustee Brody made a motion authorizing the purchase of trees from Aspinall's Tree Nursery in an amount not to exceed \$2,100.00, seconded by Trustee Noel, all ayes with Trustee Marshall abstaining. Motion carried.

The board discussed the proposed tree board. Trustee Noel said he was concerned that this ordinance gave the tree commission punitive power; he would rather see any punitive power remain with the village board. Attorney Stokes suggested making the tree board advisory to village board. Attorney Stokes will modify the ordinance and requested that the board send any other suggestions to him as well.

Mayor Shepard asked the board review the comprehensive plan over the next month and provide their input.

The board discussed the recently adopted local law regarding rooming houses and the required application. Trustee Noel made a motion that at this time there will be no fee for the filing of an application for a rooming house license, seconded by Trustee Marshall, all ayes. Motion carried.

Clerk-Treasurer Report: The board was provided financial reports detailing income and expenditures to date by fund.

Mrs. Will advised the board that Matthew Green, President of the Morrisville Fire Company, requested permission to display the Button Hand Pumper on a float during the Memorial Day Parade. Mr. Green indicated they will have tarps with them so that in the event it begins to rain during the parade the pumper would be covered; if it is raining before the parade begins they won't take it out. The board approved this request.

Mrs. Will said that another request to display the hand pumper may be forthcoming. Denny Sands recently contacted her and indicated that someone is interested in taking the pumper to display during the fire chief's convention in June at the Turning Stone Casino. The pumper would be transported on an enclosed trailer. The board will consider this request only if the pumper is displayed indoors and the Morrisville Fire Department is involved in the process.

Mrs. Will indicated that Collin Valenta requested use of the village logo for apparel to be sold at Dougherty Pharmacy. The board had no issue with this.
