Hello Residents:

With the unexpected power outages and severe weather that is effecting the village, we have been working on an emergency plan for residents. I will provide the final information when the paperwork is in place.

If you have an interest in moving the village forward, please consider becoming a trustee or serving on a village committee. Elections are in June and it would be great to have more people involved. The village is only as strong as the people that get involved.

Talk to you in May.

~ Mark Shepard
