MAYOR'S CORNER

Hello Residents:

I hope you were able to attend the Bicentennial Celebration. Although it was the hottest day so far this summer, we made the best of it and had a good turnout despite the heat. I want to thank Trustees Judy Scholefield and Kathy Roher for their hard work to make this event successful. I also appreciate Village Historian Sue Greenhagen and CONYEA President Paula Highers who went above and beyond. If you didn't make it to the celebration, I encourage you to head to the Morrisville Public Library to check out the display boards depicting the history of the village. Sue Greenhagen put a lot of effort into this and did a great job. They will be on display until September 25.

The Village Board is considering an ordinance to prohibit overnight parking on all village streets, year round. We are also considering additional stop signs at the Cambridge Avenue/Williams Street/Radnor Lane intersections. We are seeking public comment at this point. Please contact the Village Office or attend the September board meeting to express your opinion on this.
